

I would like to take this opportunity to let you know that I am NOT in favor of you replacing KLOVE FM 90.7 in my community. We are a small town of 50,000 and KLOVE is the only Christian radio station on the FM that we can receive. This is a radio station that plays positive music and has personally helped my family through very tough times. I have four daughters that will only listen to this radio station. Again I am NOT in favor of you replacing this wonderful, uplifting station with any other station.

Thank you
